MYSORE STATE LIFE INSURANCE.

CIRCULAR No. 4.

Dated Mysore, 29th November 1891.

The Secretary to the Insurance Committee has the honor to request that District Treasury officers and Amildars will, from December next, maintain the marginally noted two Registers in the accompanying forms for recording the names, &c., of the Insured paying premium at the Treasury and the amount of premium credited.

No. I. General Register of Insured paying premium at the Treasury.
No. II. Daily Register of Premiums credited at the Treasury.

The following instructions should be carefully observed in recording entries in the above Registers.

On the receipt of Policies from this Office for delivery to the Insured or on the receipt of an intimation of the transfer of an Insured from another station as prescribed in Circular No. 5 of this date, they should be immediately entered in Register No. I.

Only the names of such Insured as draw their pay from the Treasury on separate pay bills signed by themselves need be shown in Register No. II. When payments are made on Establishment Pay Abstracts accompanied with a statement of premiums as required in this Office Circular No. 3, dated 27th November 1891, the total amount of premiums shown in the said statement should be posted in this Register; but before doing so the statement in question should be thoroughly scrutinized as to its correctness with reference to the deductions made in the Pay Abstract as per Circular orders.

Immediately after the close of the month, each Amildar will send a copy of the entries in his Register No. II, with the Departmental statements, to the District Treasury Officer who will check the statements, enter them in the District Treasury Register No. II and submit to this office a consolidated statement in abstract supported by Taluk and other Departmental statements. This consolidated statement will be called the District Monthly Return of Premiums collected (*vide* sample statement hereto appended).
